

Goodbye, June!

This month at Circle Haven may have just topped the last! So many fantastic memories, friendships & fun times have been made. Read on to hear what our friends have done this month & to find out who our student of the month is for June!

We're Off to See the Wizard!

The actors & actresses in our very first theater production were phenomenal! The crowd was laughing, clapping and enjoying the show. We are so proud of our Intro to Theater group on their performance of Wizard of Oz!

Event Recap

Wow! A lot of amazing memories were made this month through all of the events we've been a part of.

For example, our Circle Haven mom's relaxed during an evening of yoga & meditation with Seeds of Love Yoga for our Caregiver's Night. Our participants had a wonderful time being creative with sea shells at our First Friday event earlier in the month. They also brought the heat during their cardio drumming performance in front of the Glassboro community. This month has been so much fun!

Student of the Month

June 2026: John

Congratulations to John, who is our June Student of the Month!

John is a new client at Circle Haven. He is enthusiastic, has a very positive attitude and is eager to participate in theater group. John works hard to memorize his lines and uses lots of inflection in his voice when acting. He truly stood out in our production of the Wizard of Oz!

John recently participated in our COMMUNITY Day cardio drumming performance. He put all of his energy out on the stage and wowed the crowd. We are so proud of him and happy to have him as an asset to our Circle Haven family!
