

May Moments & Memories

This month at Circle Haven MAY have just topped the last! So many fantastic memories, friendships & fun times have been made. Read on to hear what our friends have done this month & to find out who our student of the month is for May!

Friendship Blooms from Cooking Class

At first they were strangers, but after connecting during Cook & Conquer at our enrichment center, they developed a strong friend group that now hangs together outside of class!

Emily, Matthew, Gerard & Michaela spent time at the bowling alley last week. They had so much fun & have turned it into a repeat event.

It seems they all have a shared interest & enjoyment of cooking & bowling, which has blossomed into a fast & fun friendship!

Be Healthy, Glassboro Event

Dina & Amber attended the *Be Healthy, Glassboro* event a few weeks ago. They networked with other professionals, potential participants & families in search of services. Dina was even able to demonstrate some cardio drumming to a few children who were curious!

It was a perfect, sunny day to share the happenings at Circle Haven with the community of Glassboro!

Student of the Month

May 2026: Logan

Congratulations to Logan, who is our May Student of the Month!

Logan is a lover of trains & emergency vehicles/first responders. He is always excited to watch a train pass by during class. Logan is pleasant & kind, always greeting Circle Haven staff enthusiastically. He always asks others how they are doing & likes to check-in on their pets, children or families. Logan has a great memory!

Logan always comes to cooking class with an open mind & ready to try new dishes. He makes sure to leave the cooking space even cleaner than before he walked in, but will have no problem getting down & dirty in a game of Uno while his food is cooking.

Logan is a wonderful student & considerate person. We are so proud of him!
